

Playground Fundraising Campaign We Need Your Help

During the last 7 years you have helped us raise thousands of pounds for different charities. In all that time we have never attempted to raise funds for your children and improving facilities for them in their own school.

The Government has cut our school funding now for several years and in the proposals for the new school funding formula, Rendell Primary School is due to lose more money than any other school in the whole county. We are listed as number 1, losing another 2.8% of our budget. That is the cost of a class teacher or several members of support staff.

We really want to improve the play facilities on the main school playground. We want to add equipment that will give your children the opportunity to be more active and improve health and fitness at the same time as making the playground a more attractive place to be. The only way we can pay for this is if you and the local community can help us raise the funds.

We could put in a fabulous boat to sail away on imaginative adventures

Our goal is to try and raise an average of £30 per pupil by the end of the Summer term. Governors have agreed to match your donations and contributions, so if you donate £10 it will become £20.

Or get caught up in the great Tangled Tarantula

The MPs have organised a host of Spring and Summer fundraising events to help us reach our goal. Look below at the list of planned events. We have tried to mix fun and learning at the same time.

Event		Date
World Book Day Dressing Up	£1	1 st March
Tuck Shop Cheesy scones, toasted tea cakes, fruit scones. A different option every week	50p Orders and payment will need to be in school on a Wednesday, ready for Friday	Every Friday from 31 st March
