TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2016

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year 1 September 2015 to 31 August 2016. The Annual report serves the purposes of both a Trustees' report, and a Directors' report under company law.

The trust operates as an Academy for pupils aged 4 to 11 serving a catchment area of Loughborough. It has a pupil capacity of 350 and had a roll of 319 on the school census at August 2016.

STRUCTURE, GOVERNANCE AND MANAGEMENT

- **Constitution**

The Academy Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust.

The Trustees of Rendell Primary School and are also the directors of the charitable company for the purposes of company law. The Charitable Company is known as Rendell Primary School.

The Articles of Association require the Trustees of the charitable company to appoint at least three Trustees to be responsible for the statutory and constitutional affairs of the charitable company and the management of the Academy.

Details of the Trustees who served during the year are included in the Reference and Administrative Details on page 1.

- **Members' liability**

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

- **Trustees' indemnities**

In accordance with normal practice the Academy has purchased insurance to protect the Trustees and officers from claims arising from negligent acts, error or omissions whilst on Academy business. The cover under the policy is £3,000,000 and in the period under review the sum of £365 inclusive of tax was paid.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

● **Method of recruitment and appointment or election of Trustees**

The Articles outline the different types of Trustee; there are a range of election processes as outlined.

The term of office for any Trustee shall be four years, save that this time limit shall not apply to the Head Teacher or any post which is ex officio. Subject to remaining eligible to be a particular type of Trustee, any Trustee may be re-appointed or re-elected.

There shall be a maximum of four Parent Trustees and a minimum of three elected by parents of registered pupils at the Academy. A Parent Trustee must be a parent of a pupil at the Academy at the time of election. The term of office will cease when the pupil is no longer registered at the Academy

There shall be three Staff Trustees who are elected by a ballot of all staff employed under a contract of employment or a contract for services or otherwise engaged to provide services to the Academy (excluding the Head Teacher). If a Staff Trustee ceases to work at the Academy then he shall be deemed to have resigned and shall cease to be a Trustee automatically on termination of his work at the Academy. Any election of a Staff Trustee which is contested shall be held by secret ballot.

There shall be seven nominated Community Trustees. The members shall appoint four and the Board of Trustees shall appoint three.

The Board of Trustees can appoint an additional three co-opted Trustees as appropriate. A 'co-opted Trustee' means a person who is appointed to be a Trustee by being Co-opted by Trustees who have not themselves been so appointed. The Trustees may not co-opt an employee of the Academy Trust as a co-opted Trustee if thereby the number of Trustees who are employees of the Academy Trust would exceed one third of the total number of Trustees (including the Headteacher).

Trustees are subject to retirement or re-election at the end of their four year term of office unless the eligibility conditions listed prevail.

The members who are entitled to appoint Trustees are:

- Mrs M Bezzano-Griffiths
- Mr R Bray
- Mr P Conway

● **Policies and procedures adopted for the induction and training of Trustees**

The training and induction provided for new Trustees will depend on their existing experience. Where necessary, induction will provide training on charity, educational, legal and financial matters. All new Trustees are given a tour of the Academy and the chance to meet pupils and staff.

The Academy expects that all Trustees are willing to undertake training to improve their knowledge and understanding of all matters relating to Governance of the Academy. The Academy has a link Trustee who co-ordinates the training, advertising relevant training sessions and keeping records of what training has been attended and what is required. The Academy has signed up to the Local Authority Trustee Training and development programme. We are also a member of the Primary Development group which offers training sessions in the local area.

All Trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their roles as Trustees. Induction takes place as required on joining the Board of Trustees and tailored specifically to the individual.

FOR THE YEAR ENDED 31 AUGUST 2016

● **Organisational structure**

The structure of the Academy consists of two senior levels: the Board of Trustees (Board of Directors) and the Headteacher leading the Senior Leadership Team (SLT) which includes Deputy Headteachers and the School Business Manager.

An aim of this management structure is to distribute responsibility and accountability and to encourage involvement in decision making at all levels so that the Academy nurtures the talents of its entire staff to support continual improvement and excellence.

The Board of Trustees is responsible for setting the Academy's policies, adopting the Academy Improvement Plan and budget, monitoring performance against these plans and making major decisions about the direction of the Academy including its curriculum, the achievement and welfare of students and staffing.

The Headteacher and SLT control the Academy at an executive level, implementing the policies set by the Board of Directors and reporting back to them.

The Board of Trustees review the delegation of functions annually. The Board of Trustees will remain accountable for any decision taken, including those relating to functions delegated to a committee or individual.

The Board of Trustees receives reports in minutes from any individual or committee to whom decisions have been delegated and considers whether further action is necessary.

Quoracy decisions may only be made if a meeting is quorate. The quorum for the full Board of Trustees meetings is nine.

The Board of Trustees have delegated some of its statutory functions to committees and the Headteacher, subject to prescribed restrictions below.

Functions that can be delegated to a committee but cannot be delegated to an individual include those that relate to:

- The alteration, discontinuation or change of category of maintained A.
- The approval of the first formal budget plan of the financial year.
- Academy discipline policies.
- The exclusion of pupils.
- Admissions.

The Board of Trustees cannot delegate any function in relation to:

- The constitution of the Board of Trustees (unless otherwise provided by the Constitution Regulations).
- Appointment or removal of the chair or vice-chair.
- The appointment of the Clerk.
- The suspension of the Trustees.
- The delegation of functions.
- The establishment of committees.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

Trustees' Committees and Working Parties

The Board of Trustees meets at least six times a year to discharge its legal responsibilities. It no longer has sub committees for finance, health & safety or curriculum and welfare. All the work is done at full committee level and where deemed appropriate working groups are set up and given delegated authority as required to carry out their duties. The Committees that are established have clear terms of reference; committee members are encouraged to provide high levels of challenge. Systems are in place for sharing information between Governors and reporting back to the full Board of Trustees. This does not merely reiterate what has already been discussed in detail by the committee but focuses on the key points and decisions.

The Board of Trustees has agreed the following Committee Structure which should be reviewed in the Autumn term each year:

Audit Committee
Complaints
Discipline (Pupils)
Staff Dismissal
Dismissal Appeals
Pay Committee

Complaints Committee - will meet as and when required

- To consider any complaint where it has not been possible to resolve the issue at an earlier stage of the Complaints Procedure, initiated at the request of the complainant.

Pupil Discipline Committee - will meet as and when required

- To consider and make decisions relating to pupil exclusions in accordance with the agreed procedures.

Staff Dismissal Committee - will meet as and when required

- To consider and make decisions relating to staff capability, discipline and dismissal in accordance with procedures.

Pay Committee

- To draft and review the Academy's Pay Policy, including criteria relating to the use of discretionary elements for pay provisions, and to make recommendations.
- To determine salary levels for individual posts in accordance with the Pay Policy.
- To review the performance management policy and monitor its implementation.
- To liaise with the relevant committee to establish the annual and longer-term salary budgets and other costs relating to personnel, e.g. training.
- To review the staffing structure as necessary in relation to the Academy Improvement Plan.
- To recommend to the Board of Trustees staff selection procedures, ensuring that they conform with safe recruitment practice, and to review these procedures as necessary.
- To undertake any formal consultations on personnel matters.
- To review and recommend for adoption by the Board of Trustees procedures for dealing with staff discipline and grievance and ensure that the staff are informed of them.
- Should the need arise, to draft, in consultation with staff, criteria for redundancy, for approval by the Board of Trustees

• **Pay policy for key management personnel**

The school sets all pay and remuneration for key personnel in line with national pay awards and agreements by Local Authorities and trade unions. These are reviewed annually in line with performance management policies and pay policies for both teaching and support staff. The Headteacher presents pending pay and increment awards to the pay committee for approval each year for teaching staff.

The Headteacher's pay award is agreed by the pay committee who are supported by an external adviser with the appropriate qualifications.

● **Connected organisations, including related party relationships**

The school is connected to:

- Loughborough Primary Academy Partnership (LPAP).
- Leicestershire Primary Head Teachers.

Owing to the nature of the Academy's operations and the composition of Trustees being drawn from the local and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the board of Trustees may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Academy's financial regulations and normal procurement procedures.

OBJECTIVES AND ACTIVITIES

● **Objects and aims**

The Academy Trusts objective is specifically restricted to the following to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum.

The characteristics of the Academy set down in section 1(6) of the Academies Act 2010 are that

1. The Academy has a broad and balanced curriculum that satisfies the requirements of section 78 of EA 2002.
2. The Academy provides a primary education with an emphasis on active and creative learning.
3. The Academy provides education for pupils with a wide range of abilities.
4. The Academy provides education for pupils predominantly from the local area.

Other conditions and requirements in respect of the Academy are that:

1. The Academy will be at the heart of the community, promoting community cohesion.
2. There will be external assessments of pupils' performance at Year 6 in the form of Statutory Assessment Tests (SATs).
3. The Academy will work in partnership with Loughborough Primary Academy Partnership (LPAP) to support and strengthen achievement in Rendell Primary School and all the LPAP schools in Loughborough.
4. The admissions policy and arrangements for the Academy will be in accordance with admissions law, and the DfE Codes of Practice, as they apply to maintained schools.
5. Teachers' levels of pay and conditions of service for all employees will be the responsibility of the Academy Trust save that when entering into a contract of employment with any person the Academy Trust shall be bound by and act in accordance with such guidance as the Secretary of State may publish in relation to the maximum salary that may be paid to employees of Academies.
6. There will be an emphasis on the needs of individual pupils including those with special educational needs or disabilities (SEND).
7. There will be no charge in respect of admission and the school will only charge pupils where the law allows maintained schools to charge.

● **Objectives, strategies and activities**

- The vast majority of children make outstanding progress during their time at Rendell Primary School.
- That attainment reaches or exceeds national expectations.
- Vulnerable groups make progress that is at least in line with national.
- Move the majority of teaching to outstanding.
- Peer coaching within and across the Academy becomes the central tool to improve teaching and share excellent practice.
- To provide a curriculum that has a holistic approach to child centred learning, is enriched by the creative arts and a global dimension that reflects the multicultural ethos of the Academy.
- To develop system leadership in teams to maximise effective management of all curriculum subjects
- To create an ethos of leadership and challenge at all levels across Academy.
- To have effective and powerful business management systems and protocols that efficiently support the running of an Academy.
- That effective structure ensures that the Board of Trustees can work in stronger partnership with the whole leadership team to produce and review the strategic development plan of the Academy.
- Pupils become co-constructors of their own learning through effective strengthening of pupil voice
- That children develop essential life skills such as determination, resilience and problem solving strategies.
- That our children engage in a rich and healthy activity of sport and fitness understanding its importance to wellbeing.
- To nurture a real sense of social responsibility and respect for others.
- Attendance is above 95% and holidays in term time are reduced.

● **Public benefit**

The Trustees confirm that they have complied with the duty to have due regard to the Charity Commission's general guidance on public benefit, "Charities and Public Benefit".

- To advance for the public benefit education in Loughborough, in particular but without prejudice to the generality of the foregoing by estimating, maintaining, carrying on, managing and developing schools, offering a broad curriculum.
- To provide facilities for recreational and other leisure time occupation for the community at large in the interests of social welfare and with the interest of improving the life of the said community.

STRATEGIC REPORT

ACHIEVEMENTS AND PERFORMANCE

● **Key performance indicators**

Quality Assurance checks from the Academy group secured the Academy's judgement of itself identifying that that in all key areas of Achievement, Teaching and Learning, Leadership and Management and Behaviour the Academy was at least good.

End of Key Stage assessments indicate that progress and attainment for pupils across Academy is at least good.

Key Financial Performance Indicators

The Pupil Premium Funding was targeted at appointing additional teachers so that the school could reduce class sizes and move to single year groups. This has enabled all children including vulnerable groups to have a higher ratio of quality first teaching, resulting in improved outcomes against all assessment criteria. The gap between vulnerable groups is closer than the national in most year groups and for most groups. Teacher work load is reduced as a result with fewer children to teach and less books to mark.

Teachers are now employed to deliver targeted in class support for pupil premium children and the number of Learning Support Assistants has been reduced.

Learning Mentors have been appointed to the school to support children with emotional and behavioural difficulties. The impact has been, increased performance by targeted children and less disruption to class teaching.

Appointing a Home School Liaison Officer has led to greater communication with vulnerable families and ensured attendance issues have been well managed. As a result attendance sat at 61% for the end of the year. The highest recorded to date.

Attainment and progress over time is at least good and continues to be inline with our last OFSTED rating of good.

Attendance has now steadied at 96% and is in line with national. The schools Home School Liaison Officer works with identified families to ensure children attend school regularly.

- **Going concern**

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

FINANCIAL REVIEW

● **Financial Review**

The Academy had a net movement in funds for the year ended 31 August 2016 of £143,964 including fixed assets movements. As at 31 August 2016 the Academy held £56,628 of unrestricted reserves plus £113,644 of unspent (non-fixed asset) restricted funds. The Academy therefore held combined unrestricted and non-fixed asset restricted funds, being its available reserves of £170,272

The Academy Trust had a pension deficit on their Local Government Pension Scheme of £564,000 at 31 August 2016 and a fixed asset reserve of £2,324,713 (being the book value of past purchases).

There are no significant factors going forward that are expected to impact on the normal continuing operation of the Academy. The principle financial management policies adopted in the period are included in the Academy's internal financial policies and are typical for an Academy Trust of this size and type. There were no unusual significant events worthy of comment during the year.

The principal sources of funding for the Academy are the General Annual Grant (GAG) and other EFA/DfE grants, such as Pupil Premium. This funding has been used to support the key educational objectives of the Academy Trust, subject to any remaining reserves.

The Academy's investment policy is only to hold cash reserves on deposit with major holding banks so as to minimise risk.

● **Reserves policy**

The Trustees have developed a reserves policy for the school which is reviewed at least annually. The Academy needs to hold reserves to allow for contingencies such as unfunded building repairs, unexpected staffing costs and to allow for some uncertainty in future government funding. The Trustees have determined that the appropriate level of free reserves, which it considers to be unrestricted funds plus unspent General Annual Grant (GAG), should be approximately £120,000.

Actual free reserves plus unspent GAG as at 31 August 2016 were £165,563, being approximately £45,000 higher than the target level set by the Trustees. The Trustees intend to use the reserves above target on additional capital expenditure in the year to 31 August 2017. The Academy also held other available restricted funds at the year end of the year of £4,709 in relation to Big Lottery funding. Total available reserves, being both the above figures at 31 August 2016 were £170,272. Cash at bank at 31 August 2016 was £33,643 higher than total available reserves due principally to Universal Infant Free School Meals income received in advance of £29,698.

At 31 August 2016 the Academy's fixed asset reserve of £2,324,713 represented of funds which could only be realised if the assets were sold.

The only reserve in deficit at the year end was the pension reserve (deficit of £564,000) which will be addressed via contribution rates decided on from time to time by the pension scheme actuaries. This deficit has arisen, as with many other schemes of this type, mainly due to increased life expectancies and reduced investment returns.

● **Investments policy**

The academy's investment policy is only to hold cash reserves on deposit with major holding banks so as to minimise risk. Available rates are reviewed from time to time and where returns are judged sufficient to more than offset the administrative cost of managing deposit funds, such accounts may be used.

RENDELL PRIMARY SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

● **Principal risks and uncertainties**

The Academy has a Financial Risk Register in place which is under review by the Board of Trustees and updated as necessary.

The key areas of potential risk are:

- Not operating within its budget and running a deficit.
- Changes in funding.
- Inappropriate or insufficient financial controls and systems.
- Fraudulent activity.
- Financial commitments made without adequate authorisation.
- Reduction in pupil numbers that significantly affects the budget.

The key controls used by the Academy to reduce risk include:

- Formal agendas for the Academy board and committees.
- Schemes of delegation and formal financial regulation.
- Formal written policies.
- Clear authorisation and approval levels.
- Clear segregation of duties.
- Providing a stimulating, supportive and successful learning environment that ensures families continue to send their children to the academy.

At 31 August 2016 the pension deficit on the Local Government Pension Scheme stood at £564,000. The Academy has mitigated its risk in relation to this pension scheme by taking out insurance against early retirement on the grounds of ill health. Changes in contributions rates as decided upon by the actuaries of the scheme are budgeted for as soon as they are known, when they are updated every three years.

Parliament has agreed, at the request of the Secretary of State for Education, to guarantee that, in the event of Academy closure, outstanding pension scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

PLANS FOR FUTURE PERIODS

● **Future developments**

The Board of Trustees will keep under review whether it would be appropriate to have an investment policy. The Academy intends to action fully the areas of development as detailed in the Academy Development Plan 2015/16.

Funds held as custodian

The Academy does not hold any funds as custodian trustees on behalf of others.

Disclosure of information to auditors

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware
- the Trustees have taken all the steps that ought to have been taken to make themselves aware of any relevant information and to establish that the auditor is aware of that information.

GOVERNANCE STATEMENT

Scope of Responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Rendell Primary School has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Rendell Primary School and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The Board of Trustees has formally met 7 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
M Bezzano-Griffiths, Chair	6	7
K E Rixon, Headteacher	7	7
R Begum	3	5
R Bray	7	7

There have been no significant changes to the board of trustees and how it performs its duties.

Governance Reviews

The Board of Trustees has reviewed its effectiveness as part of the annual cycle of monitoring and evaluation. It has determined the following:

- All key legal duties have been carried out with due diligence.
- Attendance at meetings has been mostly consistent and there is clear evidence of a good level of challenge to the school leadership team, in order to ensure standards are continuing to rise and that value for money continues to be delivered.
- The school development plan has been agreed by the trustees as fit for purpose.
- The Trustees have reviewed the vision and values with all stakeholders
- To strengthen Governance the Trustees have established network meetings with Loughborough Primary Academy Partnership to help strengthen self-evaluation and external review.
- A new strategic calendar has been drawn up for the next academic year alongside a restructuring of areas of responsibility linked to the new OFSTED framework.
- The next review will take place in June 2017.
- Indicate when the Trust intends to conduct its next self-evaluation or external review of governance. If the Trust has not carried out a review it should still indicate when it intends to do so.

GOVERNANCE STATEMENT (continued)

Review of Value for money

As Accounting Officer, the Headteacher has responsibility for ensuring that the Academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy has delivered improved value for money during the year by:

- Ensuring that pupils acquire key life skills through developing growth mindset and problem solving. Staff have been provided with support from leaders to help them ensure the successful implementation of this new curriculum area.
- By continuing to invest in high quality CPD to further improve the quality of teaching across the school using 'Active Learning' strategies and peer to peer mentoring.
- Introducing Abacus to strengthen pupils learning and accelerate progress in mathematics and Read Write Inc and Literacy and Language for English. We expect it to take 2 years to fully feel the benefits of these new teaching strategy and maximise pupils' attainment.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Rendell Primary School for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The Board of Trustees has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy's significant risks, that has been in place for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The Risk and Control Framework

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Full Governing Body of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has decided to appoint Chadwick Consultancy Services.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems. On an annual basis, the internal auditor reports to the Board of Trustees on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities.

GOVERNANCE STATEMENT (continued)

The internal auditors report recommends naming individual signatories in the financial handbook and having dual SACS signatures on payments. It also recommends more extensive operating procedures to ensure business continuity. All these issues have now been addressed.

Review of Effectiveness

As Accounting Officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and Business Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Rendell Primary School I have considered my responsibility to notify the academy trust board of trustees and the Education Funding Agency of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2015.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2015.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and EFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2016

The Trustees (who act as governors of Rendell Primary School and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Annual Accounts Direction issued by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies' Accounts Direction 2015 to 2016;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the EFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
RENDELL PRIMARY SCHOOL**

We have audited the financial statements of Rendell Primary School for the year ended 31 August 2016 which comprise the statement of financial activities incorporating income and expenditure account, the balance sheet, the Statement of cash flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

This report is made solely to the Academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

Respective responsibilities of Trustees and auditors

As explained more fully in the Statement of Trustees' responsibilities, the Trustees (who are also the directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Academy's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2016 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Trustees' report, incorporating the Strategic report, for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**INDEPENDENT REPORTING AUDITORS' ASSURANCE REPORT ON REGULARITY TO RENDELL
PRIMARY SCHOOL AND THE EDUCATION FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 09 February 2016 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2015 to 2016, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Rendell Primary School during the year 1 September 2015 to 31 August 2016 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Rendell Primary School and the EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Rendell Primary School and the EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Rendell Primary School and the EFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Rendell Primary School's accounting officer and the reporting auditors

The accounting officer is responsible, under the requirements of Rendell Primary School's funding agreement with the Secretary of State for Education dated 29 October 2012, and the Academies Financial Handbook extant from 1 September 2015, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2015 to 2016. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2015 to 2016 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

The work undertaken to draw our conclusion includes:

- On a sample basis testing transactions and balances.
- Making enquiries of the academy regarding systems and controls in place that are relevant to our regularity conclusion.
- On a sample basis reviewing records for evidence of those systems and controls in place.

**INDEPENDENT REPORTING AUDITORS' ASSURANCE REPORT ON REGULARITY TO RENDELL
PRIMARY SCHOOL AND THE EDUCATION FUNDING AGENCY (continued)**

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2015 to 2016 issued by EFA, the Charities Act 2011 and the Companies Act 2006.

Rendell Primary School constitutes a public benefit entity as defined by FRS 102.

First time adoption of FRS 102

These financial statements are the first financial statements of Rendell Primary School prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) and the Charities SORP 2015 (SORP 2015). The financial statements of Rendell Primary School for the year ended 31 August 2015 were prepared in accordance with previous Generally Accepted Accounting Practice ('UK GAAP') and SORP 2005.

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP. Consequently, the Trustees have amended certain accounting policies to comply with FRS 102 and SORP 2015. The Trustees have also taken advantage of certain exemptions from the requirements of FRS 102 permitted by FRS 102 Chapter 35 'Transition to this FRS'.

Reconciliations to previous UK GAAP for the comparative figures are included in note 24.

1.2 FUND ACCOUNTING

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Education Funding Agency.

RENDELL PRIMARY SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.3 INCOME

All income is recognised once the Academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the statement of financial activities incorporating income and expenditure account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities incorporating income and expenditure account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Donated fixed assets are measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities costs are those costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.5 GOING CONCERN

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements..

1.6 TANGIBLE FIXED ASSETS AND DEPRECIATION

All assets costing more than £500 are capitalised.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities incorporating income and expenditure account and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities incorporating income and expenditure account.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities incorporating income and expenditure account.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Leasehold buildings	-	2% Straight line
Leasehold land (125 year lease)	-	over 125 years
Fixtures and fittings	-	25% Straight line
Computer equipment	-	33% Straight line

1.7 OPERATING LEASES

Rentals under operating leases are charged to the statement of financial activities incorporating income and expenditure account on a straight line basis over the lease term.

1.8 STOCKS

Stocks are valued at the lower of cost and value in use.

FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.9 TAXATION

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.10 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.11 LIABILITIES AND PROVISIONS

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are recognised when the academy trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.12 PENSIONS

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the Academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 19, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities incorporating income and expenditure account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses

1.13 CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Defined benefit pension scheme

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 19, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2016. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Tangible assets

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets. See note 11 for the carrying amount of the property plant and equipment, and note 1.6 for the useful economic lives for each class of assets.

9. TRUSTEES' REMUNERATION AND EXPENSES

During the year retirement benefits were accruing to 3 Trustees (2015 - 4) in respect of defined contribution pension schemes.

One or more Trustees has been paid remuneration from an employment with the academy trust. The Principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and other staff members under their contracts of employment, and not in respect of their role as Trustees.

The value of Trustees' remuneration was as follows:

K Rixon (Headteacher and Trustee)

Remuneration £60,000 - £65,000 (2015: £60,000 - £65,000)

Employer's pension contributions £10,000 - £15,000 (2015: £5,000 - £10,000)

Restricted funds

The General Annual Grant (GAG) relates to the school's development and operational activities. The transfer from GAG relates to funding towards fixed asset additions in the year.

Pupil Premium relates to additional funding received to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers. All funds have been spent in full within the year.

The DfE/EFA restricted funds grants consists of Special Educational Needs (SEN), Universal Infant Free School Meals (UIFSM) and PE Sport Grant. All funds have been spent in full within the year.

Other government grants consists of Leicestershire Education Excellence Partnership (LEEP) and Big Lottery funding. The closing balance relates to Big Lottery funding.

The pension reserve relates to the school's share of the deficit of the Leicestershire County Council's Local Government Pension Scheme.

Restricted fixed asset funds

DfE/EFA capital grants relate to funding received from these sources to purchase fixed assets. The closing balance relates to the net book value of the assets concerned.

The transfer from Local Authority relates to the value of £2,359,000 (leasehold land and buildings plus moveable assets) transferred from the Local Authority to the academy on conversion. The closing balance relates to the net book value of the assets concerned.

Capital expenditure from GAG relates to capitalised expenditure allocated to the GAG within this grant's terms. The income element is shown as a transfer from restricted funds, where the GAG is received, to the restricted fixed assets fund where it has been spent.

Under the funding agreement with the Secretary of State, the Academy was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2016.

19. PENSION COMMITMENTS (continued)

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge (currently 14.1%)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS will be as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £107,806 (2015 - £84,870).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2016 was £87,000 (2015 - £75,000), of which employer's contributions totalled £68,000 (2015 - £58,000) and employees' contributions totalled £19,000 (2015 - £17,000). The agreed contribution rates for future years are 21.4 - 22.4% for employers and 5.5 - 12.5% for employees.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

19. PENSION COMMITMENTS (continued)

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions:

	2016	2015
Discount rate for scheme liabilities	2.10 %	3.80 %
Rate of increase in salaries	3.10 %	4.60 %
Rate of increase for pensions in payment / inflation	2.10 %	2.70 %
Inflation assumption (CPI)	2.10 %	2.70 %
Commutation of pensions to lump sums	50.00 %	50.00 %

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2016	2015
Retiring today		
Males	22.2	22.2
Females	24.3	24.3
Retiring in 20 years		
Males	24.2	24.2
Females	26.6	26.6

19. PENSION COMMITMENTS (continued)

The Academy's share of the assets in the scheme was:

	Fair value at 31 August 2016 £	Fair value at 31 August 2015 £
Equities	448,000	286,000
Bonds	112,000	91,000
Property	56,000	48,000
Cash	6,000	9,000
Total market value of assets	<u>622,000</u>	<u>434,000</u>

The actual return on scheme assets was £18,000 (2015 - £14,000).

Expected returns on assets are calculated as follows:-

The figures shown in the standard FRS102 report for Fund employers are based on the actuary's recommended return assumptions which are derived from the Hymans Robertson Asset Model (HRAM), the proprietary stochastic asset model developed and maintained by Hymans Robertson LLP.

Asset model

The HRAM type of model is known as an economic scenario generator and uses probability distributions to project a range of possible outcomes for the future behaviour of asset returns and economic variables. Some of the parameters of the model are dependent on the current state of financial markets and are updated each month (for example, the current level of equity market volatility) while other more subjective parameters do not change with different calibrations of the model.

Key subjective assumptions are:

- the average excess equity return over the risk free asset (tending to approximately 3% p.a. as the investment horizon is increased),
- the volatility of equity returns (approximately 18% p.a. over the long term) and the level and volatility of yields, credit spreads, inflation and expected (breakeven) inflation, which affect the projected value placed on the liabilities and bond returns.
- the output of the model is also affected by other more subtle effects, such as the correlations between economic and financial variables.

The only exception to the use of HRAM is in deriving the expected return on bond assets: instead of the HRAM output, the actuary has used the yields applicable at the accounting date on suitable bond indices.

The expected return on assets is based on the long-term future expected investment return for each asset class as at the beginning of the period (i.e. as at 1 September 2015 for the year to 31 August 2016, or date of joining the fund if later).

Sensitivity analysis

The sensitivities regarding the principal assumptions used to measure the scheme liabilities are set out below:

Change in assumptions as at 31 August 2016:	Approximate % increase to Employer Liability £	Approximate monetary amount £
0.5% decrease in Real Discount Rate	15 %	179,000
1 year increase in member life expectancy	3 %	36,000
0.5% increase in the Salary Increase Rate	6 %	73,000
0.5% increase in the Pension Increase Rate	8 %	100,000

20. OPERATING LEASE COMMITMENTS

At 31 August 2016 the total of the Academy trust's future minimum lease payments under non-cancellable operating leases was:

	2016 £	2015 £
AMOUNTS PAYABLE:		
Within 1 year	1,566	2,180
Between 1 and 5 years	113	1,680
Total	<u>1,679</u>	<u>3,860</u>

21. MEMBERS' LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £ 10 for the debts and liabilities contracted before he/she ceases to be a member.

22. RELATED PARTY TRANSACTIONS

Owing to the nature of the Academy's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest. All transactions involving such organisations or individuals are conducted at arm's length and in accordance with the Academy's financial regulations and normal procurement procedures. The following related party transactions took place in the period of account.

The Chair of Trustees' husband is a director of Factor Design Associates Ltd. The Academy purchased new designs and banners from Factor Design Associates Ltd totalling £993 (2015: £NIL) during the year. There were no amounts outstanding at 31 August 2016 (2015: £NIL).

The daughter and daughter-in-law of K E Rixon, Headteacher, and a Trustee of the Academy, are employed by the Academy as teachers and are paid at a standard level for their roles.

No other related party transactions took place in either the current or prior period.

23. CONNECTED CHARITIES

Friends of Rendell (PTA) was set up to raise money for the school and then, in line with its own board decisions, donates funds for particular projects, or assets for the benefit of the school. The charity has ceased to operate and the Academy understands that it holds funds in the region of £700.

24. FIRST TIME ADOPTION OF FRS 102

It is the first year that the Academy Trust has presented its financial statements under SORP 2015 and FRS 102. The following disclosures are required in the year of transition. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2015 and the date of transition to FRS 102 and SORP 2015 was therefore 1 September 2014. As a consequence of adopting FRS 102 and SORP 2015, a number of accounting policies have changed to comply with those standards.

Comparative figures have been restated to reflect the adjustments made, except to the extent that the Trustees have taken advantage of exemptions to retrospective application of FRS 102 permitted by FRS 102 Chapter 35 'Transition to this FRS'.

Reconciliations and descriptions of the effect of the transition to FRS 102 and SORP 2015 on total funds and net income/(expenditure) for the comparative period reported under previous UK GAAP and SORP 2005 are given below.

RECONCILIATION OF TOTAL FUNDS	Notes	1 September 2014 £	31 August 2015 £
Total funds under previous UK GAAP	A	2,078,651	2,074,949
Total funds reported under FRS 102		<u>2,078,651</u>	<u>2,074,949</u>

Reconciliation of net (expenditure)	Notes	31 August 2015 £
Net (expenditure) previously reported under UK GAAP		(10,702)
Change in recognition of LGPS interest cost	A	(7,000)
Net movement in income reported under FRS 102		<u>(17,702)</u>

Explanation of changes to previously reported funds and net income/expenditure:

A - Change in recognition of LGPS interest cost

Under previous UK GAAP the trust recognised an expected return on defined benefit plan assets in income. Under FRS102 a net interest expense, based on the net defined benefit liability, is recognised in expense. There has been no change in the defined benefit liability at either 1 September 2014 or 31 August 2015. The effect of the change has been to reduce the credit to income by £7,000 and increase the debit in other recognised gains and losses in the SoFA by an equivalent amount.
