

Admissions to Rendell Primary School

Policy for first time admissions and mid-term transfers

We are glad you are interested in sending your child to Rendell Primary School. You are welcome to come and look around the school and meet the headteacher. Please phone the school office on 01509 263497.

If you are applying for your child's first place at school

Children are admitted in the autumn term after their 4th birthday, and all applications must be made to Leicestershire County Council by the preceding 15th January. So, for example, if your child was born between 1st September 2014 and 31st August 2015, they will be eligible to start school in August/September 2019, and you must apply by 15th January 2019.

Rendell Primary School became an academy on 1st November 2012. The governors decided to remain in the Leicestershire County Council Admissions Service, so all applications for a place at the school should be made to County Hall using their online admissions application form.
