

Performance Data Summer 2018

We are very proud of the achievement of our pupils at Rendell Primary School. The children, their parents and the school staff strive to ensure that our children achieve the very best outcomes possible. This year our children achieved above national by the end of Key Stage 2 in all subjects and the progress from Key Stage 1 to the end of Key Stage 2 was in the top 20% nationally for both Writing and Mathematics.

Teacher assessment is used to measure attainment in Writing and Science. In writing, pupils were assessed against three standards:

- Working towards the expected standard
- Working at the expected standard
- Working at a greater depth within the expected standard

In Science pupils were assessed against two standards:

- Has not met the expected standard
- Working at the expected standard

Mathematics and Reading assessment outcomes relate to the end of Key Stage Statutory Assessment Tests (SATs) at KS2 and teacher assessment at KS1 which is informed by KS1 SATs.

Outcomes for the end of reception (EYFS) is by teacher assessment.

More information on school performance can be found on the OFSTED website and on the school performance website: www.education.go.uk for school performance; www.ofsted.gov.uk for OFSTED reports and parent view
