Spellings

Each week children will have 10 personalised spellings that they will need to practise ready for their weekly test.

Maths

As part of our Maths unit this half term we will be learning about decimals and percentages as well as recognising decimal equivalences, rounding and ordering numbers. We will identify, draw and measure different angles.

Reading

Children need to be reading daily. You will have a book in your book bag, and you can change it in one of our weekly library sessions.

Where possible, please read aloud to an adult as often as you can. Discuss your books with them and why you have chosen it. This is a recommended book from the Year 5 reading spine.

Curriculum tasks

Create a travel brochure for travelling to Tudor times. Include things like what they would eat, where they would stay and activities they might do.

Research the Tudor Rose and have a go at making your own version. You could use Google Drawings to create this digitally.

Find out how long each of the Tudor monarchs reigned for. Draw a bar graph to show your results.

Research pictures of Tudor houses; have a go at sketching one using light and shade.

Century

CENTUR

Children will be provided with weekly activities on Century which reinforce the learning from that week.

https://www.century.tech/

TT Rockstars

It is essential children know their all of their 12x tables

Please visit; <u>www.ttrackstars.com</u>
Log on and complete the online timetables.

Physical Activity

The benefits of being active for at least 60 minutes each day are: cardiovascular health, healthy body, improve self-confidence, academic performance, memory Activities include:

*Walk with your family (scoot or bike)
*Swimming *Joe Wicks workout *Dancing

Science

As part of our Science unit this half term we will be learning about Changes of Materials. We will learn how to recover a substance from a solution; demonstrate that dissolving, mixing and changes of state are reversible changes.

Year 5 Rendell Homework Grid 2022-23
