

The Tudor Dynasty

1. . We will become historians and learn about all the Kings and Queens of England by creating a British Monarchs timeline. We will focus on Britain during the Tudor times. We will learn about the significance of The War of the Roses and the how the Tudor Dynasty commenced.

2. We will use Green Screen technology to create a 'Newsround' style report about The Battle of Bosworth. This will link to our visit to the Battlefield.

3. We will learn about the infamous King Henry VIII and his six wives and children.

4. As artists, we will create portraits of two Tudor Monarchs. We will then create a charcoal self-portrait in the style of our featured artist, Kathe Kollwitz.

5. As historians, we will look at the differences between the rich and poor in regards to jobs, food, housing and clothing.

6. As designers, we will design and make a Tudor slipper using recycled materials.
