

## Spellings

Each week children will have 10 personalised spellings that they will need to practise ready for a test.

## Maths

As part of our Maths unit this half term Throughout maths, we will be looking at ratio, area and perimeter of rectilinear shapes, measurement and conversions as well as a lot of recap on previous learning.

## Reading

Children need to be reading daily. You will have a coloured book and a pleasure for reading book. Our library day is Thursday, so please make sure to bring in your library books.

Where possible please read aloud to an adult as often as you can.

Discuss your books with them and why you have chosen it.

Why not try:

The House With Chicken Legs by Sophie Anderson

## Curriculum tasks

- Look at some of Edward Hopper's artwork - can you emulate some?
- Use 1, 2 or 3 point perspective to draw your street
- Use geometric shapes to create a piece of artwork
- Create a fact file on Edward Hopper
- Research other artists that are similar to Edward and see which pieces of artwork you like
- Think of a different medium to create a piece of art e.g. water colour/collage etc

**DON'T FORGET TO SEND US PICTURES OF YOUR CREATIONS ON GOOGLE CLASSROOM.**

## TT Rockstars

It is essential children know their all of their 12x tables

Please visit; [www.ttrockstars.com](http://www.ttrockstars.com)

Log on and complete the online timetables.

## Physical Activity

The benefits of being active for at least 60 minutes each day are: cardiovascular health, healthy body, improve self-confidence, academic performance, memory

Activities include:

\*Walk with your family (scoot or bike)

\*Swimming

\*Joe Wicks workout

\*Dancing

## Science

As part of our Science unit this half term we will be learning about evolution and inheritance and who Charles Darwin is and his theories.
