P.E.

Our P.E. sessions are on Tuesday and Thursday!
Don't forget your P.E. kits!

Maths

Can your child...
- Order objects from the shortest to the tallest
- Add and subtract single-digit numbers $3 + 2 = 5$.
- Identify coins.
- Recognise numbers to 20.

Reading

'You can find magic wherever you look. Sit back and relax, all you need is a book.' –Dr Seuss. Please read with your child for 5 minutes every day. Reading is one of the most important skills your child will learn and enjoying a book together is essential in early reading. Books will be changed every Monday and Friday.

Curriculum tasks

How tall is Jack's Beanstalk?

Our new project is about Jack and the Beanstalk. Here are some new activities that you can do with your child at home. Every Friday, your child will share their home learning books with their class.

- Make a 3D beanstalk.
- Re-tell a Traditional Tale.
- Label parts of a plant.
- Go on a Spring walk and take photographs.
- Order plants by height.
- Paint a picture of a flower.
- Write a simple sentence about spring.

Please look after your book!

RWI

During this term your child will begin to read common words and simple sentences based on the Read Write Inc programme. Can your child say each of these sounds? th, ng, nk, qu, z, x Can they recognise these red words: I, the, you, my, said, was, go, want, to

Communication and Language

Language is one of the most important elements of school life! We encourage the children to use their voices clearly and with confidence. In order to support this we would like the children to read the following stories.
Three Little Pigs, Goldilocks and the Three Bears, Little Red Riding Hood

Physical Activity

The benefits of being active for at least 60 minutes each day are:
*Improves cardiovascular health *Maintains a healthy weight *Improves bone health
*Improves self-confidence
*Develops new social skills. Can your child...
Hold their pencil correctly, forming letters on the line?
Cut out shapes using scissors?
Put and fasten a coat independently.
