

# IT'S ALL GREEK TO ME

*As geographers, we will understand the position of Greece on the world map as well as understand the different physical features of it.*

*In history, we will explore the concepts of: Invasion and Conflict; Leadership; Exploration and Invention and Community and Culture.*

*As historians, we will delve into a significant event and try to explain it in terms of cause and effect using evidence to support our ideas.*

*Building on our history skills, we will compare beliefs and behaviours of the Greeks to ours now and look at how they differ.*

*As artists, we will develop our painting skills focusing on brush techniques to depict significant Greek sculptures that depicts life from that period in history.*

*Following on from this, we will explore the Greek's belief in multiple Gods considering similarities and differences to other ancient civilisations' beliefs.*
