

## Spellings

Children will have 10 personalised spellings that they need to practise ready for their weekly test.

## Maths

This term Year 6 are looking at variety of topics, including those to recap and revisit. These include percentages, algebra, ratio, proportion, and area & perimeter. Supplementary homework for maths will be sent home with your child soon.

## Reading

Children need to be reading daily, ideally to an adult. Remember to sign up to Loughborough Library! Here are some top authors your child could try as a year 6:

- Charlie Higson
- Malorie Blackman
- Sophie Anderson
- Eoin Colfer
- Peter Bunzl

## Curriculum tasks

- Find out about the Greek alphabet and present your findings in an exciting way.

- Who was Pythagoras? How is he linked to maths? What is the Pythagoras theory? Can you present your findings using diagrams to explain what you have learnt?

- Design and make your own Labyrinth. It could be made of straws, string or wood.

- Make a Spartan helmet or design a shield.

**DON'T FORGET TO SEND US PICTURES OF YOUR CREATIONS ON GOOGLE CLASSROOM.**

## Century

Children have tasks that they need to complete weekly. This will link to both Maths and English. Century will reinforce learning from the prior week.

## Science

This half term we will be looking at evolution, understanding plant and animal adaptation. We will specifically look at the work of Mary Anning and Charles Darwin.

## TT Rockstars

It is essential children know their all of their 12x tables  
Please visit; [www.ttrockstars.com](http://www.ttrockstars.com)  
Log on and complete the online timetables.

## Physical Activity

The benefits of being active for at least 60 minutes each day are:

- \*Improves cardiovascular health
- \*Maintains a healthy weight
- \*Improves mental-wellbeing

Improves attention

Activities include:

PE with Joe Wicks
