

Spellings

Each week children will have 10 personalised spellings that they will need to practise ready for their weekly test.

Maths

As part of our Maths unit this half term, we will be learning about place value including partitioning numbers up to 100, comparing and ordering two-digit numbers and counting in 2s, 3s 5s and 10s. We will also be adding and subtracting two 2-digit numbers and be using the inverse to check calculations.

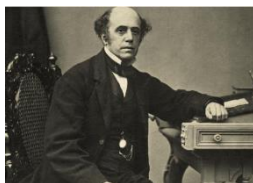

Reading

Children need to be reading daily. You will have a book in your book bag, and you can change it when you have read it, and understood it. Where possible please read aloud to an adult as often as you can. Discuss your books with them and why you have chosen it.

Curriculum tasks

This term, we will be learning about Victorians. Here are some suggested activities you could do at home to support the learning.

- Design and build a new everyday, useful object using Lego, paints, collage or your own choice of materials!
- Investigate the reign of Queen Victoria. How did the life change for British people during the Victorian period? Present the facts as a poster/ piccolage or in any other way you wish.
- Using only pencil draw a sketch of flowers or other plants. Try to create different tones and textures using sketching techniques.
- Make a fact-file about Thomas Cook. Who was he? What did he do? Why do we know about him?

TT Rockstars

It is essential children know their all of their 12x tables
Please visit; www.ttrockstars.com
Log on and complete the online timetables.

Physical Activity

The benefits of being active for at least 60 minutes each day are: cardiovascular health, healthy body, improve self-confidence, academic performance, memory

Activities include:

- *Walk with your family (scoot or bike)
- *Swimming
- *Joe Wicks workout
- *Dancing

Science

As part of our Science unit this half term, we will be learning about plants. We will compare seeds and bulbs, learn practically about life cycle of plants and look closely at different plants adapting to survive in a variety of environments.

Year 2 Rendell Homework Unit 1 Revolutionary Reign 2023-2024
