

ROMAN INVASION

To begin, as historians we will understand the chronology of the founding of Rome and learn the story of Romulus and Remus.

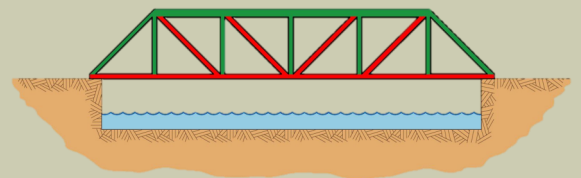

Following this, as geographers, we will examine how the lands between the Roman Empire changed over time.

To develop our skills as historians further, we will study the importance of the Roman Army in the expansion of the Roman Empire and also research what life as a Roman Soldier was like.

Continuing as historians, we will explore what life was like for everyday people in Ancient Rome.

Next, we will learn about the events leading up to Boudicca's rebellion and explore the reasons why this rebellion took place.

Finally, we will follow a design brief to create a prototype bridge before then evaluating our product.
