

## Spellings

Each week children will have 4-6 personalised spellings that they will need to practise ready for their weekly test.

## RWI Phonics

Children will have daily phonics lessons. They will be learning Set 2 or 3 sounds.

## Reading

Children need to be reading daily. You will have two books in your book bag and they will be changed each week. Where possible please read aloud to an adult as often as you can. Discuss your books with them and why you have chosen it.

Here are a couple of recommended books from the Year 1 reading spine:

## Curriculum tasks

### What a Wonderful World!

- Create a map of the world including the North Pole, South Pole and Equator. Can you identify a country with a hot climate and with a cold climate?
- Use basic food prep skills to help make something in the kitchen. You could take pictures or write up the instructions you followed.
- Design an outfit that someone would need to wear in a hot or a cold country. Use any resources that you like. Label your design choices and include what materials you would use and why.
- Choose a country within the world and research it, using the internet to find out information about it, such as physical features, weather, jobs, clothing and landscape.

## Maths

As part of our Maths unit this term we will be learning different strategies to add and subtract numbers within 20. We will also explore length and height, as well as volume and weight.

## Physical Activity

The benefits of being active for at least 60 minutes each day are: cardiovascular health, healthy body, improve self-confidence, academic performance, memory

### Activities include:

- \*Walk with your family (scoot or bike)
- \*Swimming \*Joe Wicks workout \*Dancing

## Science

We will investigate different materials, exploring properties and deciding which materials are suitable for different uses. We will then move on to exploring the four seasons and understanding the changes that take place in each one.
