

Spellings

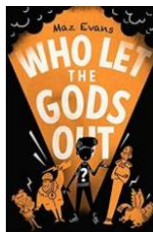

Attached are the statutory spellings for Year 5 and 6. Please find time at home to practise them when you can.

To make this fun, you could try: anagrams, hangman, magnetic letter or rainbow writing.

Reading

Children need to be reading daily. You will have a book in your book bag, and you can change it in one of our weekly library sessions.

Where possible, please read aloud to an adult as often as you can. Discuss your books with them and why you have chosen it. Here are some recommended books from the Year 5 reading spine.

Curriculum tasks

Surfin' USA

- Choose a famous landmark in the USA and conduct your own research to create a fact file.
- Create an artistic impression of the different climate zones within the world using a variety of materials.
- Make your own compass.
- Create your own map of the USA, labelling different states and landmarks.
- Build a famous USA landmark.

BoomReader

Don't forget to log your reading on BoomReader! Remember 4+ reads a week gives you a chance to win an exciting prize at the end of term.

TT Rockstars

It is essential children know their all of their 12x tables

Please visit; www.ttrockstars.com
Log on and complete the online timetables.

Doodle Learning

This is an online learning programme that helps children practise and consolidate key skills in Maths and English. Activities are personalised to each child, so the level of challenge adapts according to their answers and progress.

Please log on using your log in details to complete short, regular practice sessions at home.

Check the Weekly Communication document for more information each week!
